Göteborg, October 26, 1992.

Dear Judit,

it is fascinating to follow the development of your activities. I am sorry that I cannot participate in the seminar end October as I told you but I would like to send you all the best wishes.

I have mentioned for the Nordic Council of Ministers that you will our guest in December, and they are very happy and looking forward to meeting you.

Details and programme later on.

Many regards

Arne Carlsen
lecturer NFA
